To be prepared, please visit www.consumeratt.com/global/english/away/directservice.html for information on how to reach an English-speaking operator. If you were unable to reach CSA collect and paid for your call, we will ask you for a number to call you back so you will pay no further charges.

In the event of a life-threatening emergency, please first call the local emergency authorities to receive immediate assistance and then contact the assistance provider.

There may be times when circumstances beyond the assistance provider’s control hinder their endeavors to provide help services; however, they will make all reasonable efforts to provide services and help resolve your problem.

The assistance provider cannot be held responsible for failure to provide, or for delay in providing services when such failure or delay is caused by conditions beyond its control, including but not limited to flight conditions, labor disturbance and strike, rebellion, riot, civil commotion, war or uprising, nuclear accidents, natural disasters, acts of God or where rendering service is prohibited by local law or regulations.
